

Food contact statement - CFR 21 FDA

The plastic raw material used to produce the products listed in Appendix I complies with the following regulations related to food contact.

This information is based on our current knowledge given to us by the suppliers of the plastic granulate.

USA:

Code of Federal Regulations, title 21, Volume 3 of the Food and Drug Administration, revised as of April 1, 2011:

- 21CFR177.2470 "Polyoxymethylene copolymer"
- 21CFR177.2480 "Polyoxymethylene homopolymer"
- 21CFR177.1500 "Nylon resins"
- 21CFR177.2510 "Polyvinylidene fluoride resins"
