

Food contact statement - CFR 21 FDA

The plastic raw material used to produce the products;

- XLRT 3x23,
- XLRT 6X23,
- XLRT 3X33 D,
- and XLRT 6X33 D

comply with the following regulations related to food contact.

This information is based on our current knowledge given to us by the suppliers of the plastic granulate.

USA:

This product meets the requirements for polyolefin resins intended for food packaging applications as described in the FDA olefin polymer regulations 21 CFR 177.1520(c) 3.2a and 21 CFR 177.1520(b).

The resin may be used in contact with all types of food as defined in Table 1, 21 CFR 176.170(c) and at use conditions B-H as defined in Table 2, 21 CFR 176.170(c).

This product is produced in accordance with good manufacturing practices (GMP) as outlined in 21 CFR 174.5.
